

My Nature Journal

Fill this in after a walk, a day in the garden or a visit to the woods. There are no wrong answers - just notice, wonder and draw.

Date

Where I went

The weather

Circle it: sunny cloudy rainy windy frosty snowy

Draw what you saw

Something small, something big, or your favourite thing of the day

Three things I heard

Birdsong, crunching leaves, buzzing...

Something I touched or smelled

Rough bark, soft moss, damp earth...

My tally

Make a mark each time you spot one

Birds

Bugs and beetles

Furry animals

Mushrooms and fungi

A question I want to find out
